Details of the company secretary are as follows: Navitas Corporate Services Ltd, a company incorporated under the laws of Mauritius and having its registered office at Navitas House, Robinson Road, Floréal, Mauritius.

KEY INFORMATION (Cont'd)

5. REASONS FOR THE CONVERSION

The shareholder loan of MUR200,000,000 was previously provided by CBVL from 2018 to 2022 to support BVH Group. CBVL started contributing MUR20,000,000 in FY2018, then MUR30,000,000 in FY2019, MUR43,500,000 in FY2021 and MUR106,500,000 in FY2022. The shareholder loan is unsecured, interest free and is subordinated to all liabilities of the Company.

The issue of the 50,000,000 new ordinary shares of BVH at the price of Rs 4.00 per share (thus a consideration of Rs 200,000,000) will be to strengthen the capital base of the Company.

Furthermore, the directors have made due and careful enquiry that the working capital available to the company and its group will be sufficient for at least twelve months from the date of admission of the additional issue.

6. COSTS OF THE CONVERSION

The estimated admission cost, payable by the Company, amounts to Rs 455,000, which represents the application fee of Rs 120,000 to be paid to the SEM, transfer agent fees of Rs 100,000, advisory fees of Rs 135,000, miscellaneous costs of Rs 100,000.

7. FINANCIAL SUMMARY

Recent trends

Whilst the results for the year 2022 was satisfactory; year 2023 has proved to be a year of rebound for BVH Group with growth in occupancy rates, turnover and EBITDA.

After being severely affected by the Covid-19 pandemic crisis, the tourism sector in Mauritius has experienced a notable recovery in 2023 with an increase of 41% in the number of tourist arrivals from 638,332 in the first nine months of 2022 to 901,126 in the first nine months of 2023.

BVH Group recorded an average occupancy rate of 85% for the period ended 30 September 2023, thus exceeding the industry average of 73%.

For the nine months ended 30 September 2023, the Group's revenue amounted to Rs 768m (unaudited) compared to Rs 497m for the same period last year. The average occupancy rate for the period ended 30 September 2023 was 82% at Preskil Island Resort and 90% at Solana Beach Mauritius, resulting in a combined occupancy rate of 85% for the Group (2022: 66.5%). Likewise, REVPOR increased by 21% over the same period. The Group's EBITDA improved significantly from Rs 114m in 2022 to reach Rs 302m (unaudited) for the nine months ended 30 September 2023, resulting in a profit after tax of Rs 106m (unaudited) for the nine months of year 2023 compared to a loss of Rs 15m for the corresponding period in 2022.

Third-quarter revenue for 2023 saw a significant surge, rising by 39% to reach Rs 253m compared to the same quarter in the previous year.

7. FINANCIAL SUMMARY (Cont'd)

Recent trends (cont'd)

During the quarter under review Q3-2023, Preskil Island Resort maintained an average occupancy rate of 84%, while Solana Beach Mauritius achieved 89%, resulting in a combined occupancy rate of 86% for the Group, a notable increase from 79% in Q3-2022. Additionally, Revenue per Occupied Room (REVPOR) experienced a robust 28% increase over the same quarter, indicating a favorable performance across the hotels of BVH Group.

The Group's EBITDA improved substantially, rising from Rs 47m in Q3-2022 to Rs 92m in Q3-2023. This enhanced operational performance translated into a notable profit after tax of Rs 30m for the third quarter of 2023, a significant increase from Rs 11m recorded for the corresponding quarter last year. These results underscore the Group's strong financial performance and operational efficiency, positioning it for continued growth and success in the hospitality sector.

Overall, occupancy rates and results for the financial year 2023 were much better than expected and surpassed pre-pandemic levels and same trends are expected for the year 2024. Management is optimistic for the first quarter ended 31st March 2024 but acknowledges that operating expenses will be negatively impacted by the increase in payroll cost and its economic effects further to the recent revision in minimum wage and salary compensation.

Borrowings

The Group borrowings (long term and short term) at 30 September 2023 stood at Rs 1,652,464,000 (unaudited). The bank borrowings are secured by floating charges on the assets of the Group including property, plant and equipment, right-of-use assets and inventories.

The borrowings include the following notes: 4-year notes (Euro), 5-year notes (Euro), 5-year notes (Mur), 7-year notes (Mur), 10-year notes (Mur) which are secured by way of:

- a fixed charge on the property of the Company, a floating charge over all its assets, an assignment of the relevant leasehold rights in favor of the Noteholders' Representative and an assignment of the insurance proceeds on the property in favor of the Noteholders' Representative; and
- a fixed charge on the property of Solana Beach Company Limited, a floating charge over all its assets and an assignment of the relevant leasehold rights in favor of the Noteholders' Representative.

The Company has nil contingent liabilities as at 30 September 2023 (unaudited), in respect of bank and other guarantees and other matters arising in the ordinary course of business from which it is anticipated that no material liabilities would arise.

Capital

The stated capital as at the date of this Document is Rs 378,185,256 divided into 125,644,644 ordinary shares of no par value and 125,000 non-convertible, redeemable, cumulative and non-voting preference shares of no par value.

Issue of new shares and rights/options to acquire shares

The Board may issue shares at any time, to any person and in any number it thinks fit.

Annual meeting and special meeting of shareholders

An Annual meeting shall be held not more than once every calendar year at such time not being more than nine months after the balance sheet date of the Company and fifteen months after the holding of the last preceding annual meeting and at such place may be determined by the Board.

The Board may whenever they think fit convene a Special meeting and they shall on the written request of shareholders holding shares carrying together not less than five per cent (5%) of the voting rights convene a Special Meeting of the Company.

Where a sum due to the Company in respect of a share has not been paid, that share shall not confer a right to vote at a shareholder's meeting other than a meeting of an Interest Group.

Directors

The Directors of the Company shall be such person or persons as may be appointed from time to time by the Company in Annual and Special meetings.

The Company may by Ordinary Resolution remove any Director.

ADDITIONAL INFORMATION (CONT'D)

3. CONSTITUTION (Cont'd)

Authority to remunerate directors

- (a) The Board may approve the payment of remuneration (or the provision of other benefits) by the Company to a Director for his services as a Director, or the payment of compensation for loss of office;
- (b) The Board shall ensure that, prior to authorising any payment under Section 25 of the Constitution, such payment shall be deemed fair and reasonable to the Company and its existing shareholders;
- (c) The Board shall ensure that, forthwith after authorising any payment under Section 25 of the Constitution, particulars of such payment are entered in the Interests Register.

Directors' Interests

The Company shall keep an interests register and each Director must declare to the Board any interest that he may have in relation to a proposed resolution.

A Director and alternate Director shall be counted in the quorum at any Board meeting in relation to any resolution in respect of which he has declared an interest but may not vote thereon.

4. RIGHTS ATTACHED TO THE SHARES

• Dividend rights:

The Directors may declare a dividend to be paid to the members according to their rights and interest in the profits and may fix the time for payment. No dividend shall be payable out of the capital of the Company and the declaration of the Board as to the amount available for dividend shall be conclusive.

The Board may from time to time pay to the members such interim dividend, as in their judgement the position of the Company justifies. Dividends may be authorised and declared by the Board at such time and for such amount (subject to the solvency test required by the Companies Act) as it thinks fit. All dividends unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed.

Dividend payment is linked to the profit achieved during the year and to the financial performance of the Company and is subject to internal cash flow and the need for future capital investments.

ADDITIONAL INFORMATION (CONT'D)

4. RIGHTS ATTACHED TO THE SHARES (Cont'd)

• Voting rights

Each share shall carry one vote. Ordinary resolutions put to vote at an Annual or Special meeting may be approved by a simple majority of votes. In case of equality of votes, the Chairperson of the meeting shall not be entitled to a casting vote.

• Pre-emption rights in offers for subscription of securities of the same class.

Subject to any direction to the contrary in the resolution deciding on the creation of new shares, all new shares shall be offered in the first instance for subscription to all the then existing shareholders of the Company in proportion to such shares held by them. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered as if they formed part of the original capital and shall be subject to the provisions herein contained with reference to the payment of calls and instalment, transfer and transmission, forfeiture, lien, surrender voting and otherwise.

Procedures

Only the shareholders who were registered in shareholders' registry can exercise their pre-emptive right. The shareholder willing to exercise his/her pre-emptive right should notify the Company about it by completing the subscription forms. Together with the subscription forms, the shareholder must also send the payment for shares to be purchased. The subscription forms will not be accepted if it has not been filled in properly and presented in appropriate form, or there is no payment document or in case it is impossible to identify the shareholder or it has been presented after the subscription period has expired. The pre-emptive right is exercised proportionally and the number of shares due is determined by the number of shares owned by shareholders. If the number of shares due to shareholders is fractional, it is rounded down.

• Rights to share in any surplus in the event of liquidation.

In case of winding up, the proceeds from the sale of the Company's assets shall be used to repay the Company's debts and other liabilities, including the costs of liquidation. Any surplus remaining shall then be distributed amongst the Company's shareholders in proportion to their respective holdings.

• Rights to redemption.

The Articles of Association of BVH does not provide for redemption.

5. LITIGATION

The Company is not involved in any governmental, legal or arbitration proceedings and, so far as the Directors are aware, there are no governmental, legal or arbitration proceedings pending or threatened against them, or being brought by the Company since the date of incorporation of the Company which may have, or have had in the recent past, a significant effect on the financial position or profitability of the Company.

Independent auditor's report to the Shareholders of Southern Cross Tourist Company Limited

Report on the audit of the consolidated and separate financial statements

Opinion

We have audited the consolidated and separate financial statements of **Southern Cross Tourist Company Limited** (the "Company" and the "Public Interest Entity") and its subsidiaries (the "Group") set out on pages 5 to 75, which comprise the consolidated and separate statements of financial position as at 31 December 2022, and the consolidated and separate statements of profit or loss and Statement of other comprehensive income, consolidated and separate statements of changes in equity and consolidated and separate statements of cash flows for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the financial position of the Group and Company as a 31 December 2022, and of their consolidated and separate financial performance and consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the requirements of the Mauritus Companies Act 2001 and the Financial Reporting Act 2004.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants (including International Independence Standards) (the "IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We also assessed the reasonableness of the discount rates used by comparing same to a range of discount rates independently calculated by us based on the markets in which the businesses operate, taking into account the nature of the individual businesses.
These assumptions and estimates can have a material impact on the impairment assessment of the investments in subsidiaries.		We assessed whether appropriate disclosures were made by management in the financial statements.

Other information

The directors are responsible for the other information. The other information comprises the Corporate information, Statutory disclosures, Statement of compliance, Corporate governance report, Statement of directors' responsibilities and Company secretary's certificate, but, does not include the consolidated and separate financial statements and our auditor's report thereon.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of directors for the consolidated and separate financial statements

The directors are responsible for the preparation and fair presentation of the consolidated and separate financial statements in accordance with International Financial Reporting Standards, and in compliance with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004 and they are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group and/or the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Group's and the Company's financial reporting process.

Auditor's responsibilities for the audit of the consolidated and separate financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonable be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Company's internal
 control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures
 made by management.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence
 obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's
 and the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to
 draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate,
 to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
 However, future events or conditions may cause the Group and/or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves
 fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

Auditor's responsibilities for the audit of the consolidated and separate financial statements (cont'd)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe those matters in our auditor's report unless laws or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

Mauritius Componies Act 2001

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or interest in, the Company and its subsidiaries other than in our capacity as auditor;
- we have obtained all information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

Financial Reporting Act

Our responsibility under the Financial Reporting Act 2004 is to report on the compliance with the Code of Corporate Governance disclosed in the annual report and assess the explanations given for non-compliance with any requirement of the Code. From our assessment of the disclosures made on corporate governance in the annual report, the public interest entity, has failed to satisfactorily explain the reasons for non-compliance with the requirements of the Code with respect to Principle 1, 2, and 3 as described in the statement of compliance.

Use of this report

This report is made solely to the Company's shareholders, as a body, in accordance with section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Independent auditor's report to the Shareholders of Southern Cross Tourist Company Limited

Report on the audit of the consolidated and separate financial statements

Opinion

We have audited the consolidated and separate financial statements of Southern Cross Tourist Company Limited (the "Company" and the "Public Interest Entity") and its subsidiaries (the "Group") set out on pages 5 to 68, which comprise the consolidated and separate statements of financial position as at 31. December 2021, and the consolidated and separate statements of profit or loss and Statement of other comprehensive income, consolidated and separate statements of changes in equity and consolidated and separate statements of cash flows for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the financial position of the Group and Company as at 31 December 2021, and of their consolidated and separate financial performance and consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants (including International Independence Standards) (the "IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other information

The directors are responsible for the other information. The other information comprises the Corporate information, Statutory disclosures, Statement of compliance, Corporate governance report, Statement of directors' responsibilities and Company secretary's certificate, but, does not include the consolidated and separate financial statements and our auditor's report thereon.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of directors for the consolidated and separate financial statements

The directors are responsible for the preparation and fair presentation of the consolidated and separate financial statements in accordance with International Financial Reporting Standards, and in compliance with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004 and they are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group and/or the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Group's and the Company's financial reporting process.

Auditor's responsibilities for the audit of the consolidated and separate financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonable be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Company's internal
 control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence
 obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's
 and the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to
 draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate,
 to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
 However, future events or conditions may cause the Group and/or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves
 fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

4(c)

Auditor's responsibilities for the audit of the consolidated and separate financial statements (cont'd)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe those matters in our auditor's report unless laws or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

Mauritius Companies Act 2001

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or interest in, the Company and its subsidiaries other than in our capacity as auditor;
- we have obtained all information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

Financial Reporting Act

Our responsibility under the Financial Reporting Act 2004 is to report on the compliance with the Code of Corporate Governance disclosed in the annual report and assess the explanations given for non-compliance with any requirement of the Code. From our assessment of the disclosures made on corporate governance in the annual report, the Public Interest Entity has, pursuant to section 75 of the Financial Reporting Act 2004, complied with the requirements of the Code.

Use of this report

This report is made solely to the Company's shareholders, as a body, in accordance with section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.
