

ANNOUNCEMENT

The Board of Directors of The Mauritius Chemical and Fertilizer Industry Limited (“MCFI”) wishes to inform its shareholders and the public that Mr. Anton de Waal has been appointed as the General Manager of MCFI in March 2026.

Mr. Anton de Waal brings with him more than 30 years of experience in senior management and leadership positions across the property, sugar, industrial, and minerals processing sectors in Southern Africa and the Indian Ocean region. Throughout his career, he has built a strong reputation as a seasoned and strategic leader, recognised for his ability to inspire high-performing teams, drive organisational effectiveness, and contribute meaningfully to long-term business growth.

The Board believes that Mr. de Waal’s appointment represents an important milestone for the MCFI Group. His arrival reflects our continued commitment to excellence. We wish Mr. de Waal every success as he builds on MCFI’s foundations, strengthens key relationships, and contributes to the organisation’s continued development.
