### EXTENSION OF CLOSING DATE OF INITIAL PRIVATE PLACEMENT

---

The Board of Directors of TRUK Africa (the "**Board**") refers to the communiqué dated 5 March 2026, wherein the Company informed the market and potential investors of the initial extension to the private placement period until 18 May 2026 for the issuance of up to 1,320,000 ordinary shares at a price of USD 2.50 per ordinary share, following the listing approval granted by the Stock Exchange of Mauritius Ltd (the "**SEM**") on 14 November 2025.

The Board has decided to further extend the private placement period until further notice. This decision arises from recent unforeseen geopolitical developments beyond the Company's control, which have introduced heightened volatility into global financial markets, subsequently slowing institutional investment timelines and delaying the finalization of capital commitments.

The Company remains in active engagement with a number of potential institutional investors. A definitive closing date for the private placement and a revised listing timetable will be communicated to the public in due course.

The Board remains committed to the listing on the High-Growth Segment of the SEM and will keep all stakeholders informed of any further material developments.

This announcement is not an invitation to the public to subscribe for shares in the Company and is provided for information purposes only.
