2. COMMENTS

NOTES

Application of IFRS 5

considering the progress made on the disposal plan, all the investments and the investment property of the Company have been classified as assets held for sale under IFRS 5 as at 30 June 2023.

Concurrently, the revenue, expenses and post-tax profit directly attributabe to assets held for sale have been presented as discontinued operations in profit or loss.

Results

For the half-year ended December 31, 2023, a net loss of Rs. 2.41m was incurred. This was primarily attributable to progress in the plan for the disposal of both listed and unlisted equities, which resulted in a reduction in income and net gains from the revaluation of the investment portfolio. In parallel, recurring administrative expenses have also been significantly reduced.

Financial position

The investment portfolio decreased from Rs. 54.2m on June 30, 2023, to Rs. 7.8m on December 31, 2023, due to the disposal of unlisted equities. The slight decrease in NAV per share, from Rs. 16.34 as of June 30, 2023, to Rs. 16.07 as of December 31, 2023, is attributed to a reduction in retained earnings resulting from the aforementioned loss.

3. STRATEGIC UPDATE AND OUTLOOK

On 21 December 2023, the Company has completed a transaction to sell all of its 25% stake held in the Atcomm Group for a consideration of MUR 21.25 million. Moreover, pursuant to the agreement signed on 30 June 2023 with BlueLife Limited, the Company has fully completed the disposal of its interests in Haute Rive Azuri Hotel Ltd in December 2023. The Company continues to make steady progress towards the completion of its strategy adopted in 2022 and is further progressing on other disposal projects, while closely monitoring the portfolio to protect shareholders' value.
